HO CHI MINH CITY

Ho Chi Minh City, Vietnam's major economic hub and cultural center, showcases a captivating blend of old and new. Majestic skyscrapers rise above picturesque French colonial buildings and ancient pagodas, preserving the city's rich heritage. Beyond the vibrant streets and bustling traffic, a world of delightful street cuisine, vibrant nightlife, and significant landmarks awaits exploration, defining the city's unique allure.

The city boasts a plethora of rooftop bars that provide panoramic views of Saigon and its surroundings. Moreover, it is home to a remarkable array of restaurants that offer a delightful fusion of French, Chinese, and authentic Vietnamese cuisine. Within the central districts of Saigon, particularly Districts 1 and 3, you will discover numerous renowned landmarks that exemplify the city's charm.

Expanded over an area of 263 hectares, the port of Ho Chi Minh City is one of the leading exporting ports in Vietnam. Accommodating 2168 vessels carrying 2 million tonnes, the port also facilitates afloat repairs, chipping and cleaning.

How big is the logistics market in Vietnam?

Based on the Vietnam logistics report for the third quarter of 2022, VIRAC predicts that the size of Vietnam's logistics industry will reach approximately \$53 billion in 2022, representing a 15% increase compared to 2021. It is also projected that the size of Vietnam's logistics industry will reach \$61 billion in 2023.

VISA APPLICATION

We have been advised that MIFFA attendees are to submit for a tourist visa. However, this is information we have been guided on and we advise that you to also look into this.

Most visitors to Vietnam require a visa to enter the country and all travellers must have a passport valid for six months after the date of their arrival in Vietnam and at least two blank pages.

From August 2023, Vietnam Visa exemption for an applicable number of days is extended for citizens from:

<https://visaguide.world/asia/vietnam-visa/tourist/>

- E-visa option is available to nationals of all countries (previously to 80 countries only).
- With an e-visa, travelers can stay for up to 90 days (previously 30 days only).
- Travellers can apply online for single (25 USD) or multiple (50 USD) entries.
- The list of border gates (airports, land crossings, and seaports) that accept the e-visa has been expanded.
- Online platform accepts e-passports (mainly for Chinese citizens). Non-nationals can access the e-visa web portal of the Vietnam Immigration Department:

<https://evisa.xuatnhapcanh.gov.vn/web/guest/trang-chu-ttdt>

Your port of entry granted on your e-visa is fixed, and you cannot change it after submitting your Vietnamese e-visa application or after your visa is issued. In case you change your port of entry, a new visa should be applied.

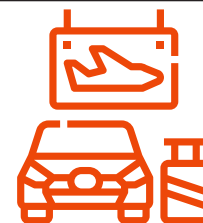

VISA - PLEASE REMEMBER

- You must do your VISA no later than **30-45 days prior to arrival**, this is to factor in any delays with the online portal.
- You cannot enter Vietnam before or after the validity period specified in your e-Visa.
- Ensure to provide correct information.

FAST TRACK THROUGH IMMIGRATION

As part of your **MIFFA Package** we have arranged a **Meet and Greet on arrival**- this is only valid for ES-VISA's . Please look out for a Destination Asia Airport representative who will escort you through immigration and customs then take you to your luggage belt.

PRIVATE TRANSFER - STRONGLY RECCOMEND

If you would like us to book you a transfer from the airport to Mai House hotel then please email Ellie Minshull and we can arrange this for you. Charges for your transfer will apply.
